

1. Study the patterns. Circle the correct answer.

2. Look at the figures below.

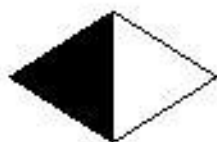

Draw.

Form one pattern using the figures given.

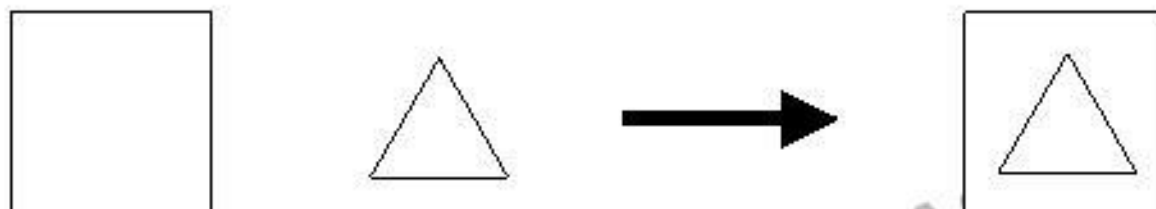

3. Look at the figures below.

Draw.

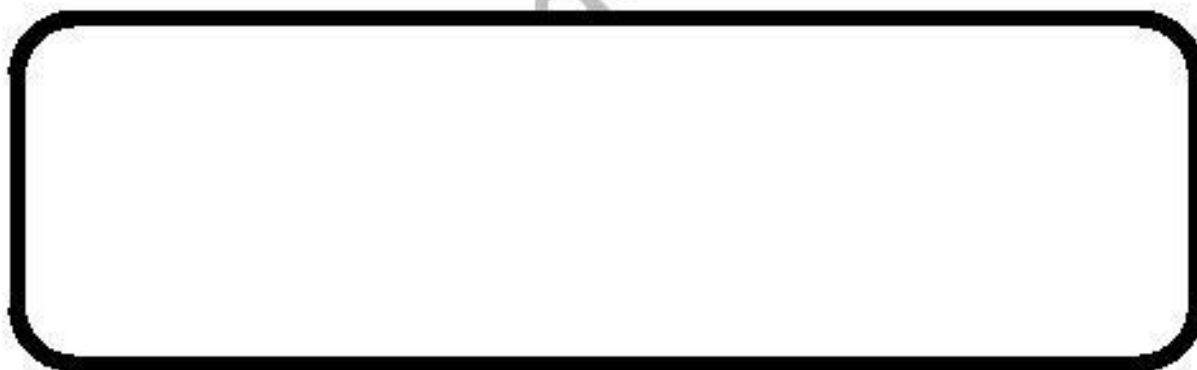

Form one pattern using the figures given.

4.

A square and a triangle may form such a figure on the right.

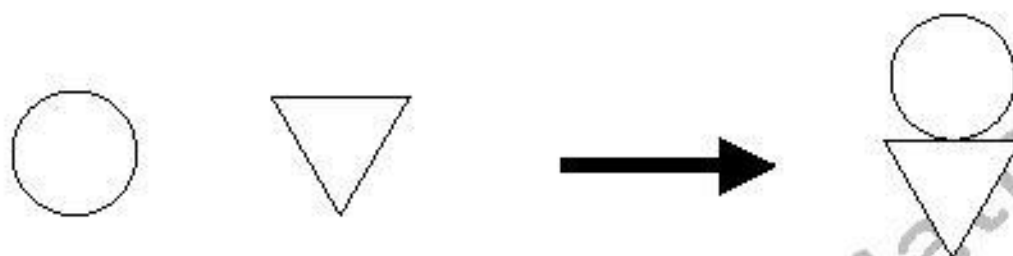

Form two other figures using a square and a triangle.
Draw in the box below.

Make a pattern with what you have drawn.

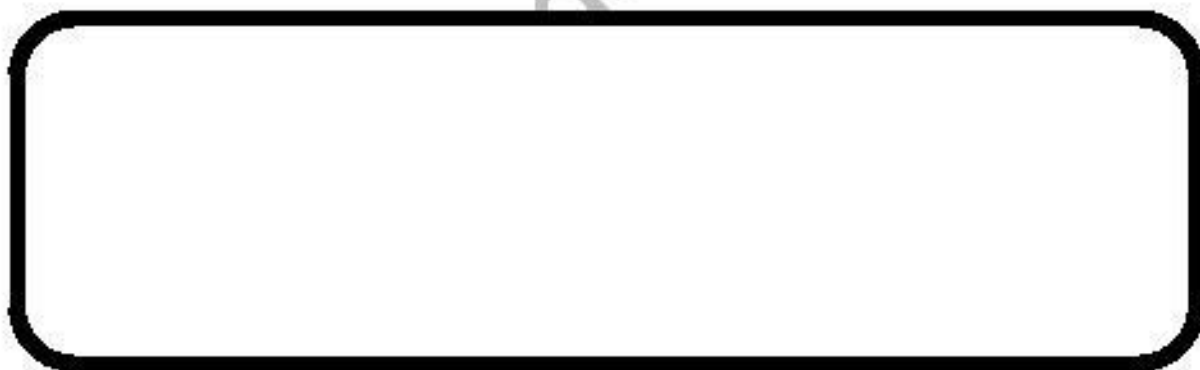

5.

A circle and a triangle may form such a figure on the right.

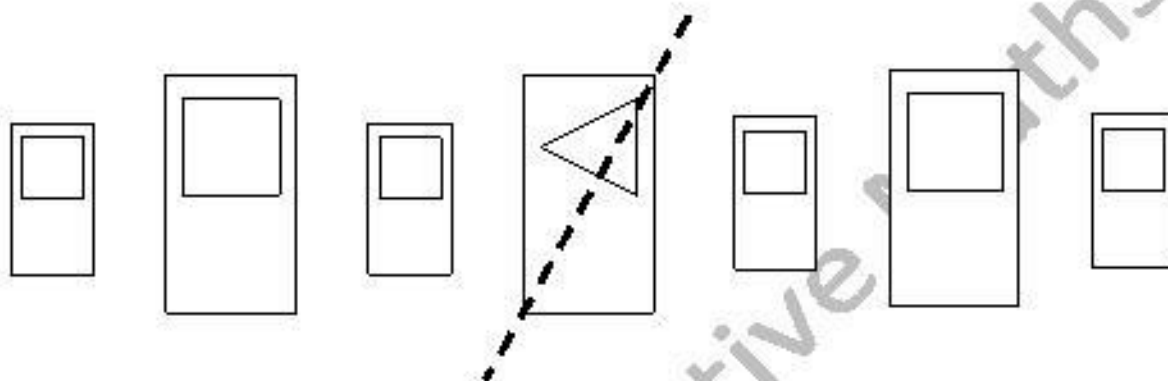

Form two other figures using a circle and a triangle.
Draw in the box below.

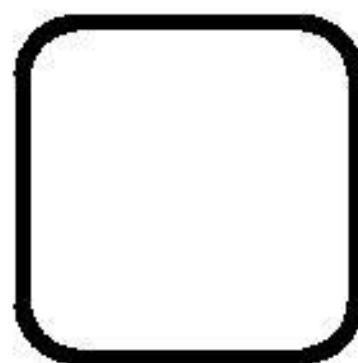

Make a pattern with what you have drawn.

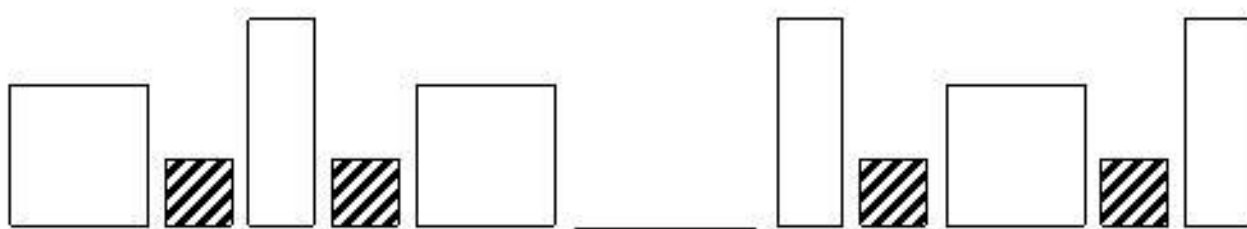

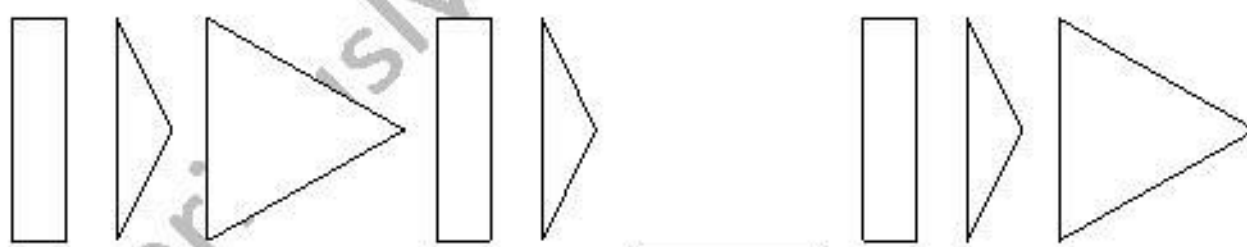

6. Cross out the shape that does not fit in the pattern.

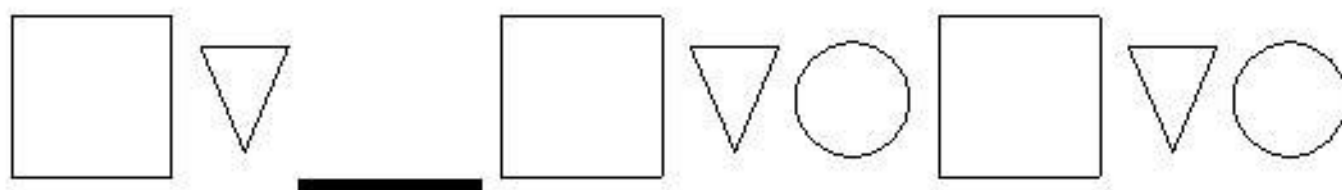

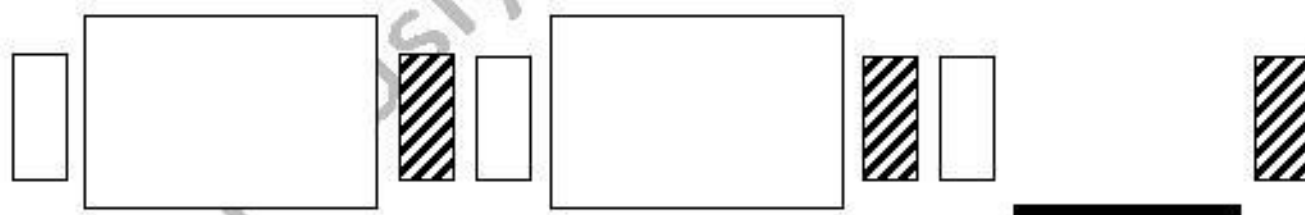

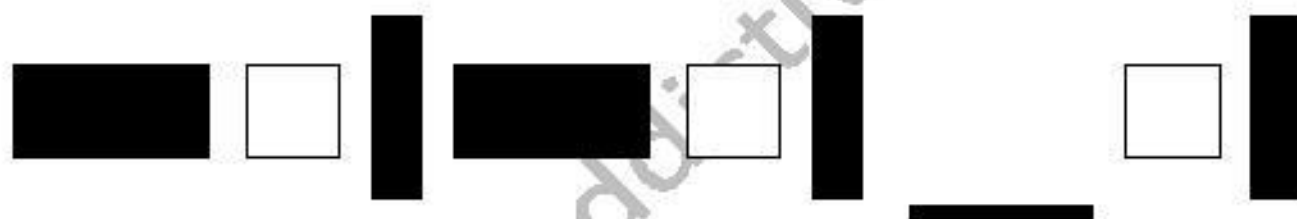

Draw the correct shape in the box.

7. Complete the patterns below.

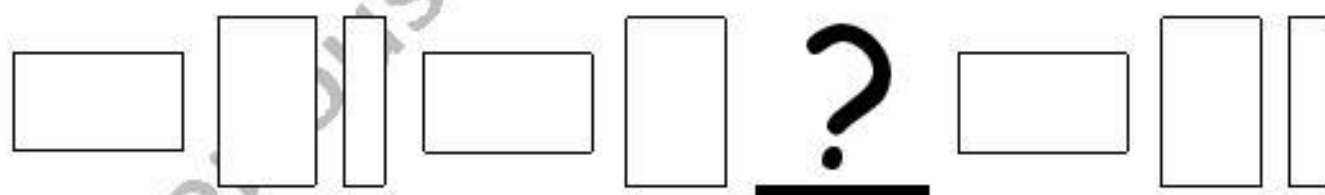

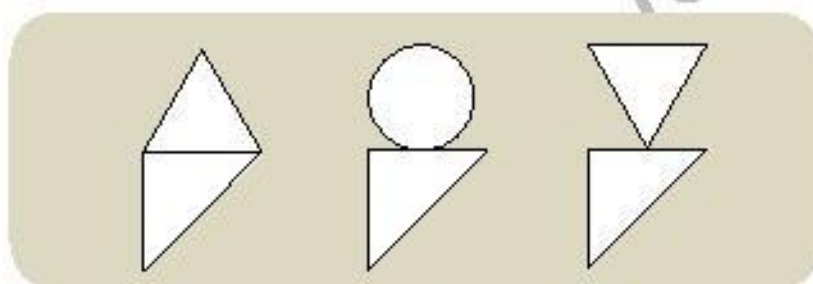

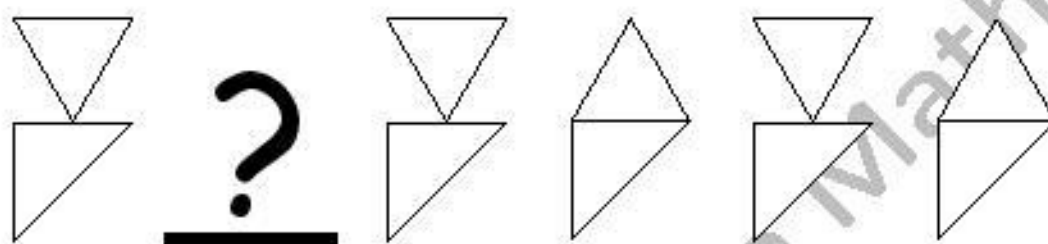

8. Complete the patterns below.

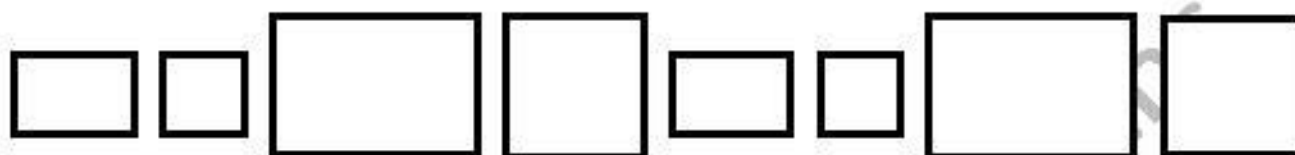

9. Complete the patterns below.

Circle the correct shape.

10. Look at the pattern below.

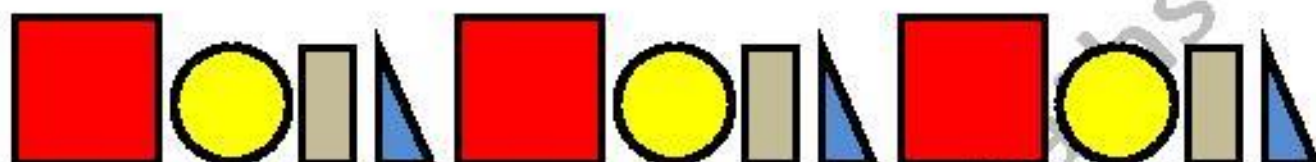

What is the pattern that is being repeated?

Draw your answer in the box.

A large, empty rounded rectangular box with a thick black border, intended for the student to draw their answer to the question above.

11. Look at the pattern below.

What is the pattern that is being repeated?

Draw your answer in the box.

You may use your colour pencils.

A large, empty rounded rectangular box with a thick black border, intended for the student to draw their answer to the pattern question.

12.

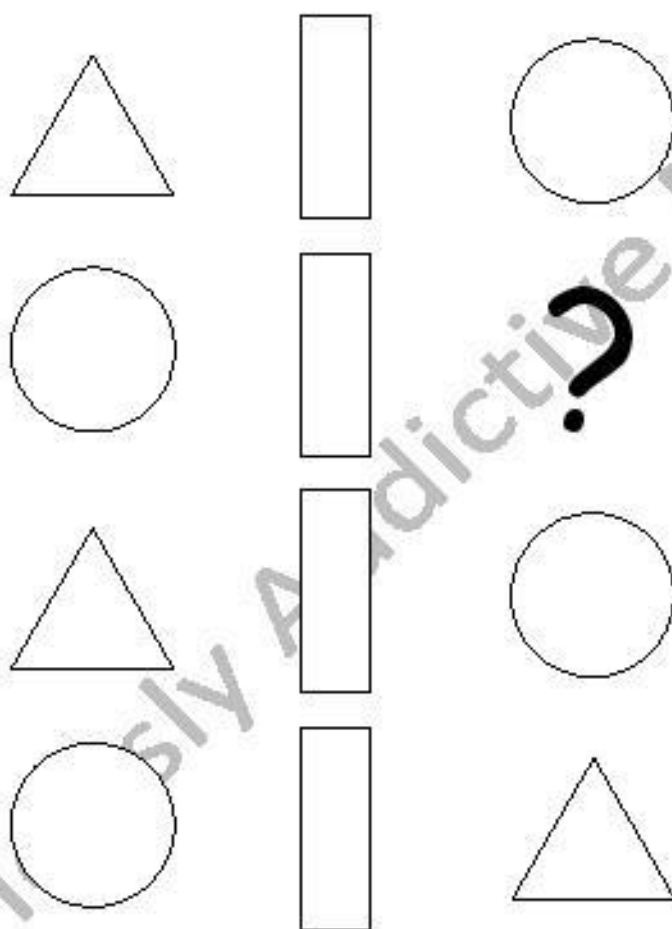

Be creative! Use the shapes given to form 2 different patterns below.

1

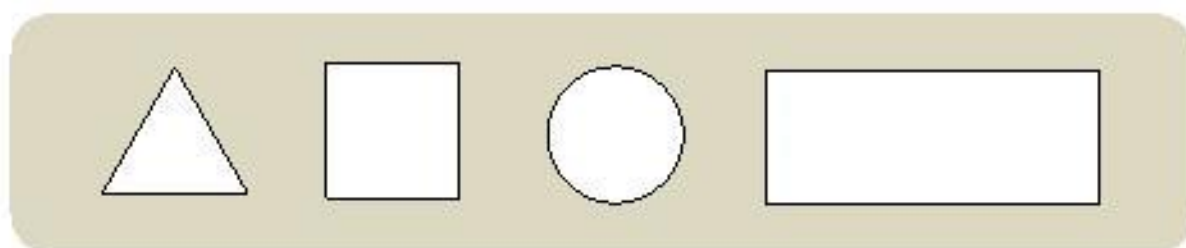

2

13. Study the pattern below.

What is the missing shape?

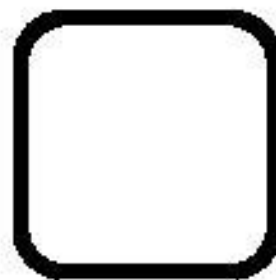

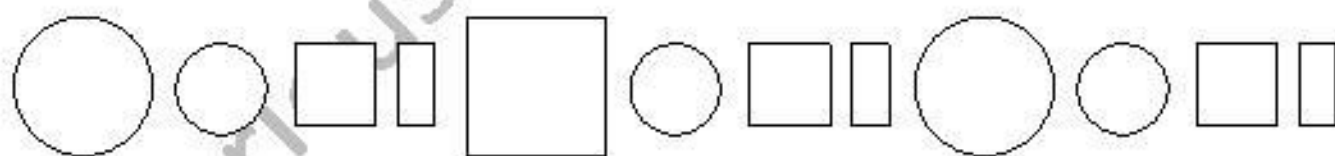

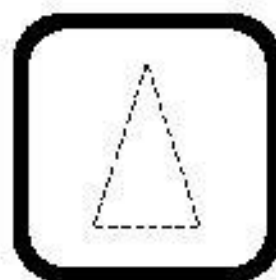

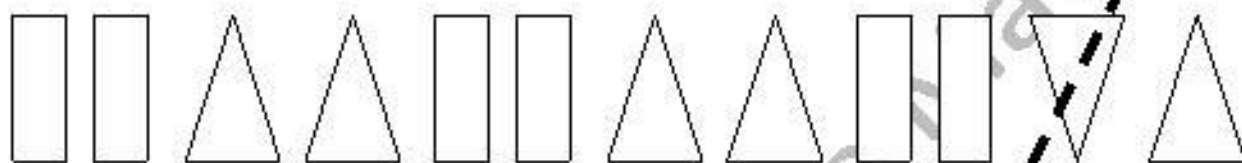

Colour the correct shape.

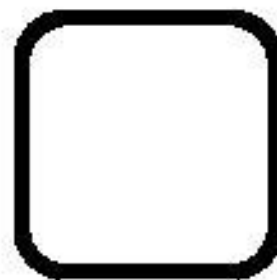

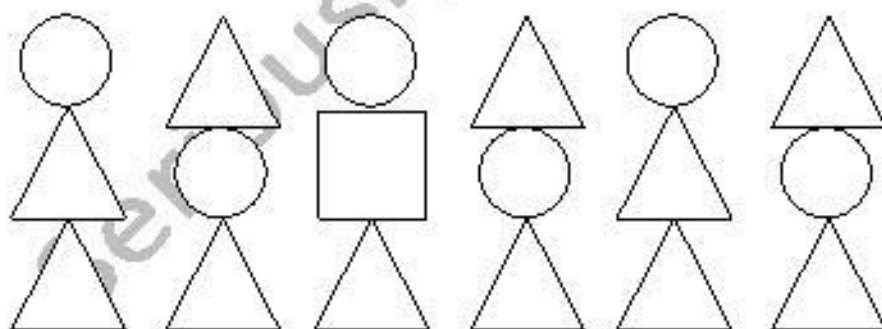

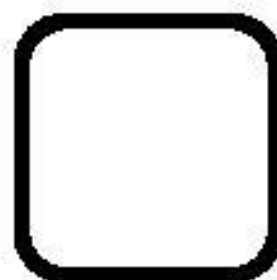

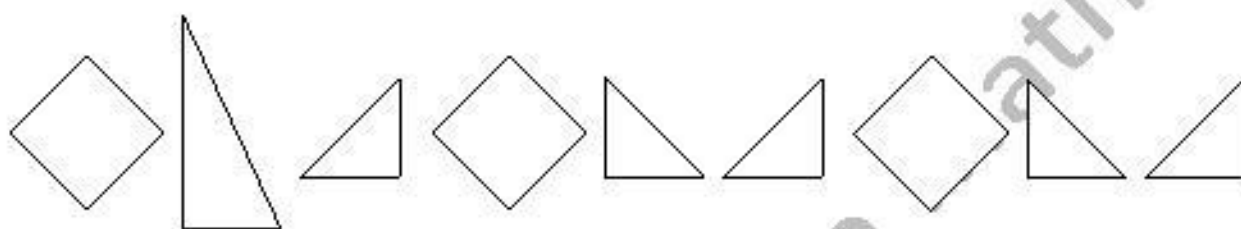

14. Cross out the shape that does not fit in the pattern.

Draw the correct shape in the box given.

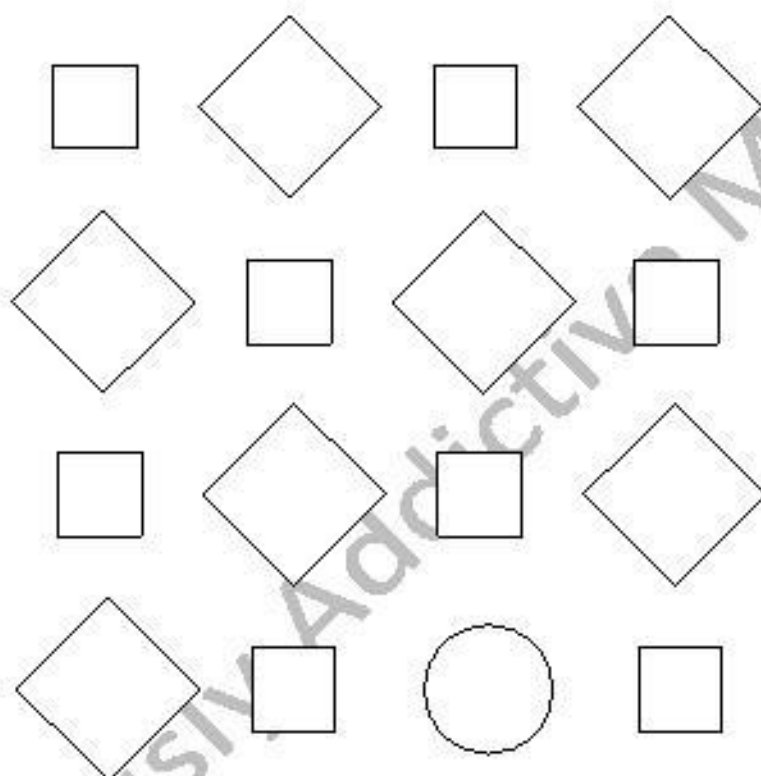

15. Cross out the shape that does not fit in the pattern.

Draw the correct shape in the box given.

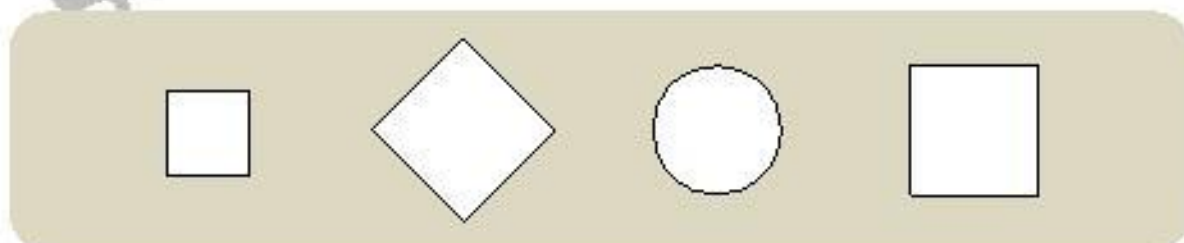

16. Try this!

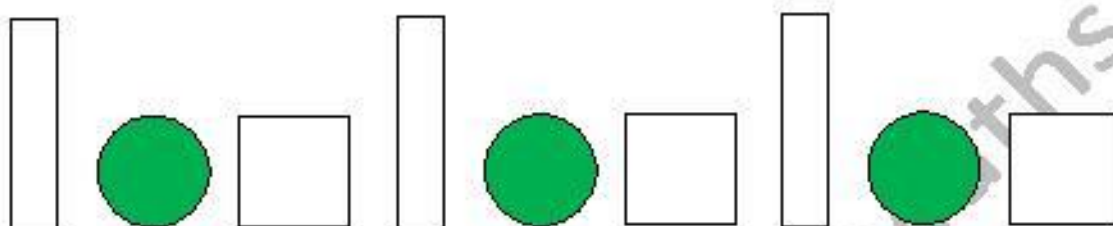

Cross out the shape that does not fit in the pattern.

Colour the correct shape.

17. Look at the pattern below.

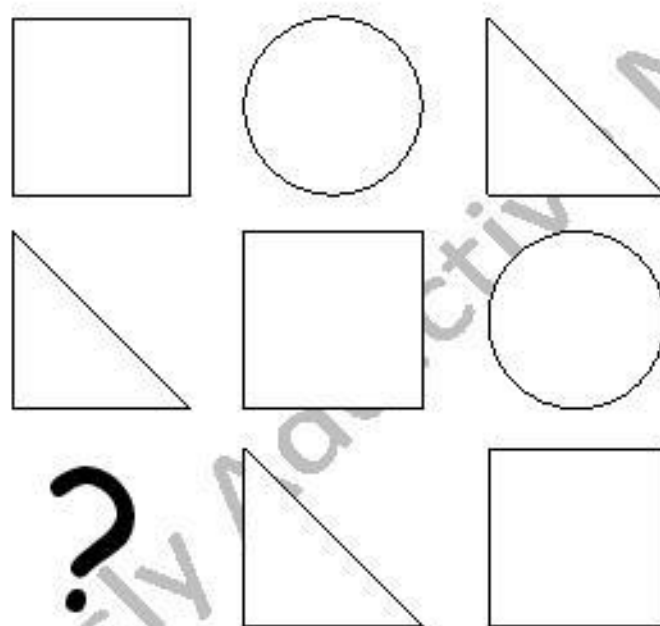

What is the pattern that is being repeated?

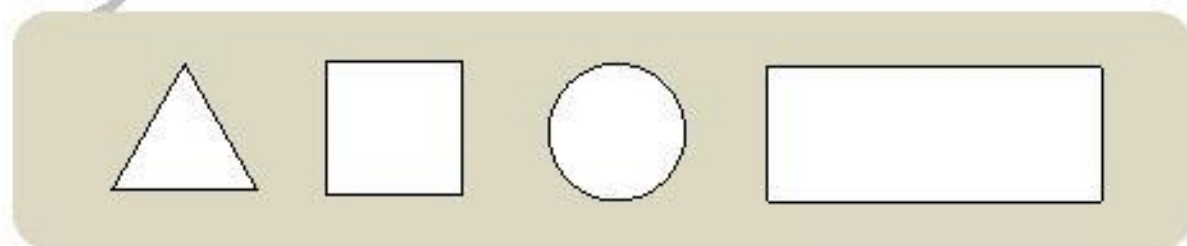

Draw your answer in the box.

18. Study the pattern below.

What is the missing shape?

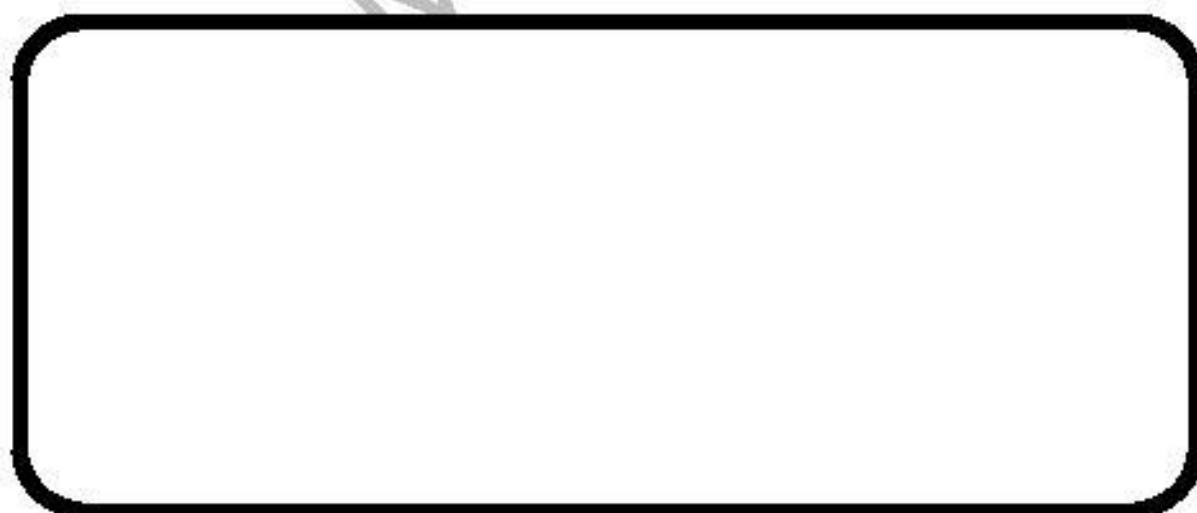

Colour the correct shape.

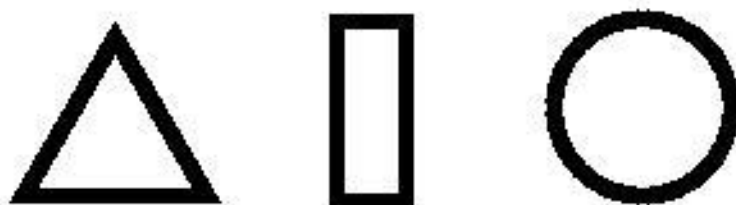

19. Draw a rectangle and a circle in the space below.

Be creative! Can you form a pattern with what you have drawn? Draw in the space below.

20.

Use the shapes given to form a pattern below.

Each row and each column must have **all** 3 shapes.
